FELLOWS

FADI SOUILEM

Nabeul, Tunisia

Mr. Fadi Souilem is the Co-Founder and Managing Director of Coworky Coworking Space and Innovation Hub, the first coworking space and innovation hub in Nabeul, Tunisia. Fadi launched the Hub with the goal of helping economic empowerment in the community and positive impacting the entrepreneurial ecosystem. Coworky aims to empower, attract, and host communities of entrepreneurs, artists, designers, startups and youth.

In addition to his working with Coworky Coworking Space and Innovation Hub, Fadi is also the SAP Support Manager at Focus Corporation, the Tunisia Country Manager for Interaction Design Foundation, a Business Mentor for Enpact EV, and an entrepreneur mentor for Mowgli Mentoring.

Professional Goals

In the future, Fadi hopes to launch an incubator that supports an economic system in Nabeul and supports local business and teche startup community.

Professional Fellows Program Objectives

Following the fellowship, Fadi would like to establish a project that focuses on entrepreneurship empowerment and financial education. He wants to engage the youth community and provide coaching and outreach through media and videos. Fadi hopes to build connections with U.S. partners that will allow him to strengthen the economic ecosystem in the region.
