

ZEINEB BEN AZZOUZ

Tunis, Tunisia

Ms. Zeineb Ben Azzouz is an Information and Communication Technology (ICT) Teacher at the Higher Institute of Applied Sciences, where she has worked since 2007. She holds a bachelor's degree in Computer Science and is a Microsoft Certified Educator. Outside of her work, she is a member of Un Enfant des Sourires, an organization that collects and distributes donations to underprivileged students, and Enfants Scientifiques, which designs and animates STEAM workshops for youth between 6 and 12 years old.

Professional Goals

Zeineb hopes to continue to develop and improve her teaching methods and competencies to maintain pace with the changes in the technology fields. She would also like to improve her entrepreneurial skills so that she can pass along this knowledge to her students through informal and formal learning opportunities.

Professional Fellows Program Objectives

Through the PFP, Zeineb aims to strengthen her entrepreneurship and sustainability skills, and plans to share the information and knowledge she has gained with students, colleagues, and the community through trainings and workshops.
