FELLOWS

ZEYNEB MOUCHRIT

Aïn Séfra, Algeria

Ms. Zeyneb Mouchrit is the Founder and Manager of El Amel Language Center where she manages new projects, coaches and supports the professional development of employees, and organizes trainings in pedagogy. In addition to her work at the Language Center, Ms. Mouchrit is a Project Coordinator for Méditerranée Afrique Co-développement (MEDAFCO) in Algiers where she coordinates the ALINOV Kids Program, she is the Founder of Wake Up Aïn Séfra, and is also a Soft Skills Trainer for Education for Employment.

Professional Goals

In the future, Zeyneb aims to create programs that inspire women and youth in her community to reach economic independence.

Professional Fellows Program Objectives

Through the Professional Fellows Program, Zeyneb hopes to improve her management and training skills to support and influence Algerian youth and marginalized communities. Following participation in the program, she plans to facilitate "conversation clubs" and idea exchanges that will provide job readiness skills training to community members on topics such as interviewing and CV writing. Through these clubs and idea exchanges, Zeyneb aims to empower women and young entrepreneurs by sharing her experiences, offering leadership and entrepreneurship training, and soft skills development workshops.
