FELLOWS

ABDALRAHMAN NASR

Alexandria, Egypt

Mr. Abdalrahman Nasr is a Program Manager at Knowledge Officer where he leads the development and execution of business-to-business programs and manages communication plans and relationships with external stakeholders.

Before joining Knowledge Officer, Abdalrahman served as an Operations Manager for Mrkt, and as an Operations Specialist for Discounti and Glovo.

In addition to his current role, Abdalrahman is a writer with publications on Sasapost Website, an avid blogger, and the administrator of a LinkedIn account with more than 7,000 followers. Through LinkedIn, he shares videos that offer career guidance, lessons on various career paths, and best practices for navigating the job market.

Professional Goals

In the future, Abdalrahman hopes to earn a program management certificate, publish a book, and create a scalable health-tech startup that makes healthcare more accessible to underserved communities.

Professional Fellows Program Objectives

Through the Professional Fellows Program, Abdalrahman hopes to enhance his leadership skills, business administration skills, and expand his global network.
