

PROFESSIONAL  
FELLOWS

## MAYSSA MRABET

*Ariana, Tunisia*

Ms. Mayssa Mrabet is the Chief Incubation Officer at Afkar Incubator where she manages incubation processes and partnerships, and provides entrepreneurial coaching. She previously served as a Program Manager at Impact Partner - Yunus Social Business Tunisia, Chief Operation Officer at E-delegation, and as a Digital Consultant at Edatis. Mayssa holds a master's degree in business administration from South Mediterranean University.

### *Professional Goals*

Mayssa has an ambition to participate in the positive change of the economy in Tunisia. She hopes to achieve this by exploring new cultures and experiences, developing her professional network, and by continuing to improve her technical and soft skills.

### *Professional Fellows Program Objectives*

Through the Professional Fellows Program, Mayssa hopes to meet representatives of innovation centers, incubators, and accelerators to learn about their role in supporting innovation in the U.S. She also hopes to learn more about fundraising techniques and impact investment funding. Following the PFP she plans to implement a project that will provide start-ups with the right tools to develop their businesses and increase employment opportunities, and improve the Tunisian economy.
