

PROFESSIONAL
FELLOWS

MANAR BENZAHRA

Constantine, Algeria

Mr. Manar Benzahra is a Business Development Officer at International Planning and Innovation where he facilitates entrepreneurship and business creation training modules for beneficiaries of the Asylum, Migration and Integration Fund. Manar is also a Senior Sales and Operations Officer, focusing on North African and Middle Eastern Markets at MYGO Worldwide. In addition to holding a master's degree in Business Development, Manar has also participated in numerous training programs including "Training Young Migration Professionals" from the International Centre for Migration Policy Development.

Professional Goals

In the future, Manar hopes to start his own business that focuses on the promoting social and cultural understanding and environmentalism. This business would provide the community with volunteer activities, family events, music festivals, and outdoor activities like hiking and camping.

Professional Fellows Program Objectives

Through the Professional Fellows Program, Manar hopes to learn critical social entrepreneurship and non-profit development skills that will empower and enable him to start his own business.
