

PROFESSIONAL
FELLOWS

AHMED SABER

Alexandria, Egypt

Mr. Ahmad Saber has worked over 11 years in the entrepreneurship field and is the CEO and Co-Founder of T-HUB LLC, an organization that provides citizens with training and skills to qualify them for the job market. Additionally, Ahmed is a Community Partner for numerous organizations including Rise Up, Flat6labs, Rotaract District 2451, among others. He is also the Founder and Chairman of HR Canva Summit and the Partner and Managing Director at the Polaris Academy for Programming with Youth. Ahmed holds a master's degree in Global Management-Entrepreneurship from the Swiss School of Management.

Professional Goals

In the future, Ahmed would like to partner with an American Ivy League business school to establish a campus in Egypt, develop his own software program, and build a multinational conglomerate in the human resources, learning and development, and investment industries.

Professional Fellows Program Objectives

Through the Professional Fellows Program, Ahmed hopes to learn about the growth of startups, management of multicultural companies, investment pitching, and change management. He hopes that by learning more about the entrepreneurial ecosystem and the stages of startup businesses, he can better support youth and community partners in Egypt.
