

PROFESSIONAL
FELLOWS

YOUSSEF SOUBAI

Tan-Tan, Morocco

Mr. Youssef Soubai is both the International Relations and Partnership Manager at the Fadae Athina Association - Tinghir, and the Manager of the Cultural Affairs and Heritage Preserving Service at the Regional Council of Daraa Tafila in Errachidia. In addition to his work, Youssef is earning his doctoral degree at the University Sidid Mohamed Ben Abdellah in Fes focusing on Heritage Management and Preserving Cultural Diversity. He holds a master's degree in Teaching Arts and Aesthetic Education and various certificates in preservation and the arts.

Professional Goals

Youssef's professional goals are centered around addressing critical issues in Morocco that affect women artists, climate change, employment, and women's access to artistic expression. In the future, Youssef hopes to empower 100 women to launch creative environmental startups that employ Moroccan artists, to qualify 100 young activists to write policy briefs and to use advocacy to address development strategies, and to train 500 female students on the right to artistic expression.

Professional Fellows Program Objectives

Through the Professional Fellows Program, Youssef hopes to learn more about data analysis, and to gain new experiences in management, planning and the implementation of solutions, risk management, and resilience. He also seeks to enhance his skills in daily intercultural communication.
